TTC has reviewed the price charged per hour for the Pavilion Hall and the provision of free time to set up the room and tidy away after each hire, the new hourly rate to hire the main Hall from 1st April 2024 will be £16 per hour, with a reduced rate for block bookings and regular hirers of £15 per hour for all new customers. Setup and tidy-up will also be charged in 15-minute increments.

TTC has decided to add only 50% of the hourly increase to the regular hirer's rate for the next budget year and then increase to the same full rate as new customers from year two. This means TTC will be increasing the hourly rate to regular hirers by £2 per hour to £13 per hour.

For regular hirers, 15 minutes on either side of your paid time will be extended to you as a goodwill gesture ongoing. New hirers will not have this benefit but will be aware of the total cost to hire when they plan how to cost the offering. Approved

Hire charges for other parts of the building will be available on the council website Pavilion Bookings area shortly; www.tickhilltowncouncil.gov.uk.
