TICKHILL TOWN COUNCIL

MEETING OF TICKHILL TOWN COUNCIL 22nd SEPTEMBER 2026

113.26 CORRESPONDENCE (Appendix 3)

a) **03/08/2026** Email via webform requesting grant application form.
RESOLVED form sent along with terms for grant application and closing date details.

b) **03/08/2026** Resident email received via Cllr Bycroft requesting a review of dangerous parking on pavements in Tickhill following the resident colliding with a parked car on a blind bend causing injury.
RESOLVED following confirmation of permission to contact under UK GDPR and Data Protection Act 2018, responded to resident signposting to City of Doncaster Council enforcement and advised to also report as a non-emergency police incident using the 101 number.

c) **04/08/2026** Email from PCJCC to confirm Cllr Johnson has been allocated a place as one of the 14 members on the Focus Group for the Governance Peer Review being undertaken by the LGA on 9th September. Further information and Guidance will be sent nearer that date.
RESOLVED that the update be note.

d) **04/08/2026** Following the Clerk reporting an unsecured lighting pillar in the pavilion car park on 03/08/2026, City of Doncaster Council (CDC) have emailed confirmation the lighting pillar has now been secured.
RESOLVED that the update be noted.

e) **05/08/2026** Resident email requesting permission to place verge posts outside their property on the highway.
RESOLVED signposted to CDC advice on any available action to dissuade parked cars on grass verges.

f) **06/08/2026** Resident email concerned about the planning application reference 26/01288/FUL submitted to CDC.
RESOLVED advised resident of the process to submit a comment of objection

g) **06/08/2026** Telephone call received from resident regarding concerns on planning application 26/01288/FUL.
RESOLVED advised resident of the process to submit a comment of objection

h) **10/08/2026** Email complaint about excessive noise from live music from a licensed premises on a Sunday afternoon.
RESOLVED the resident was signposted to the local Licensing Authority and Environmental Health to establish if the premised is complying with its permitted license.

i) **10/08/2026** Resident enquiry into the local Community Speed Watch Scheme.
RESOLVED information on the scheme sent.

j) **11/08/2026** Email complaint from resident regarding general speed of traffic on Doncaster Road and an incident involving their parked car which was written off when a speeding vehicle collided with it. **RESOLVED** advised reporting incident to the

local police using the 101 non-emergency number and CDC, not just insurance company. Also gave information on the councils position and limitations on road safety.

k) **19/08/2026** Scoping consultation letter received from CDC. **RESOLVED** circulated to councillors

l) **20/08/2025** SYP Rural Crime support information. **RESOLVED** circulated to members and information shared with residents via website and social media.

m) **24/08/2026** A member of the public enquired about the availability of land to rent from the council for livestock and grazing purposes. **RESOLVED:** Responded to advise the Council is unable to assist, as no suitable land or grazing opportunities are currently available.

n) **24/08/2026** Reminder from CDC that attachments to streetlighting pillars (Poppies, Christmas festive motifs etc) is not permitted. **RESOLVED** information circulated to Christmas contractor and members.

o) **24/08/2026** Email requesting information on how to apply for a memorial bench on the green space at the end of Castle Close. **RESOLVED** information on how to apply for memorial benches through City of Doncaster Council along with the link sent.

p) **26/08/2026** Email from member of the public via Cllr Cooper to ask what events and activities are organised in Tickhill. **RESOLVED** responded with details of upcoming events planned by Tickhill Town Council.

q) **26/08/2026** Member of the public emailed with concerns about speeding traffic on Wong Lane, requesting the Community Speed Watch scheme operate there. **RESOLVED** information about the scheme sent along with how sites are selected and approved.

r) **28/08/2026** Report of faulty street light on Dam Road. Initially reported in December 2025, again in February 2026, unsure if it has been repaired and developed a fault again but no longer working. **RESOLVED** reported to City of Doncaster Council and Ward Councillor.

s) **01/09/2026** Email of concern regarding weeds growing over the boundary fence of a property adjacent to the Public Open Space (Community Orchard) requesting the Council's contractor to deal with these. **RESOLVED** advised the resident of their rights commonly referred to as the common-law right of abatement of nuisance and is supported by the longstanding authority of *Lemmon v Webb* permitting the homeowner to cut back encroaching vegetation to their own boundary.

t) **02/09/2026** Homeowner making enquiries into purchasing part of the land in the community orchard sharing their boundary. **RESOLVED** Advised resident, the land is subject to the conditions of the transfer under the Section 106 agreement, as well as the relevant covenant, which require it to remain public open green space.

u) **07/09/2026** Resident emailed expressing concern at a small dam that has been constructed in Paper Mill Dyke at the Lindrick end of Paper Mill Lane preventing water from flowing through the dyke as it should and causing localised flooding with the heavy rainfall last week. **RESOLVED** reported to the flooding and drainage team at City of Doncaster Council to investigate. **09/09/2026** Email request from a local business on behalf of Tickhill businesses participating in the All In Pink Breast Cancer

Awareness and fundraising campaign, requesting permission to decorate the Buttercross with bras. **RESOLVED** item added to September agenda for consideration.

v) **14/09/2026** Email from a member of the public concerned about the length of the grass on the recreation ground and requesting details on scheduled maintenance. **RESOLVED** referred to City of Doncaster Council.

w) **14/09/2026** An email was received from a resident requesting an update on the progress of the Tickhill Recreation Improvement Group's skatepark project, including details of funding secured, and seeking information on the Town Council's plans regarding the potential leasing of part of the recreation ground for a skatepark. The resident also expressed an interest in supporting the project from a community perspective. **RESOLVED** The resident was advised of the Young Persons Working Group and invited to attend a meeting. In relation to the history, previous progress of the skatepark project, and funding secured by the Tickhill Recreation Improvement Group, the resident was advised to contact the Group directly.

x) **21/09/2026** Email report of fallen Willow tree along the side of the beck and water leak in the road near the right-hand bend. **RESOLVED** reported to CDC.
